What an OER Journey!
Mónica Sanchidrián & Niamh Brennan, Trinity College Dublin

From a compulsory, internal module for all TCD incoming doctoral students, the course was redesigned with student co-creators, extended to staff and then to a re-useable, scalable, FAIR Open Educational Resource.

Research Integrity and Impact in an Open Scholarship Era

Course curriculum
1 Research Integrity and Ethics
2 Copyright, Intellectual Property and Data Protection
3 Research Data Management and the construction and application of Data Management Plans

- Pedagogical design
- Student co-creation
- TCD LMS only

2023 Expansion
- New staff version
- Voluntary
- Badging/ Certification

1,500 TCD STUDENTS COMPLETED

The training answered so many questions that arise on a daily basis from researchers.

“...very helpful in identifying for me some key decisions which need to be reached with my supervisors.”

“The course was phenomenal. It gave me tremendous insight into the world of ethics and academic publishing.”

“The training answered so many questions that arise on a daily basis from researchers.”

“It’s a great set of resources to have & I know that I will come back to it and refer to the material again in the future.”

“A great set of resources to have & I know that I will come back to it and refer to the material again in the future.”
